

Thank You

to Blue Star Mothers

everywhere

We frequently receive letters and emails from the troops thanking us for our efforts and various chapter activities. In order for the members to all share these thank you notes this page has been created for our brave men and women in the military to let us know how we are doing.

To the military men and women who post here - please do not include any personal information as this is a public page. If you know the name of the chapter you want to thank please mention it.

If you have questions or concerns you want a reply to please contact webmaster@bluestarmothers.org
