South Carolina

Treasurer  
*Ruth Cunningham-Vail*  
California

National Recording Secretary  
2010-2011 Report

The 2010-2011 year began with the Post-Convention NEB meeting that was held on Sunday morning following the close of the 2010 Convention.

My first order of business was to prepare the Post-Convention package to be submitted to the archives and posted on the internet. During September I started the process of sending out press releases notifying Veterans Service organizations of Wendy's re-election as President and arranged the NEB Directory.

Throughout the year I recorded minutes for the 2010 Convention, 1 Post-Convention meeting, 10 Regular Board Meetings, and the 2011 Pre-Convention meeting.

I was the recipient and keeper of Chapter and Department Affiliation Agreements that were submitted, the ballots from the 2010 National Executive Board election, and the signed NEB Code of Conduct.

I am entirely grateful for the last 2 years of service to this Organization, honored to have worked with Wendy Hoffman as President and this entire Executive Board.

Respectfully,

Kathryn Hood  
National Recording Secretary
