Get yours while supply lasts!

For more than 76 years, Blue Star Mothers of America, Inc. has been supporting our men and women serving in the military, and their veteran brothers and sister. We have proudly championed our sons and daughters, as they ventured far from home in service to our country.

**RED** is an important word to all for it stands for Remember Everyone Deployed. The bracelets are paracord, easily worn when you don't have access to your RED shirt, the bracelets are 9" approximately in length.

Proceeds from the sale of the bracelets will enable Ohio Big Dipper Department to grant Educational Assistance Awards to deserving applicants to continue their educational opportunities beyond high school. Bracelets are **ON SALE** for **\$3.00** each plus shipping.
