

Responsibilities: Design and Publish monthly newsletter and Annual Yearbook

Newsletter email 2vp@bluestarmothers.us

- Enjoyed doing it each month, seeing what you all do
- Due Date the 15th of each month, will announce if changing (rare)
- Special Veteran Edition in November and Gold Star Recognition in September or May
- Send me fallen Veteran names, and Blue Daisies to include in newsletter and convention program
- Use Microsoft PowerPoint, Minimal photo editing program in photos
- Submit in pdf, word, jpeg, png format via email or completed page. Pdf's don't always transfer over well and can't be edited with the programs we have available. Please send originals if possible. Ones taken from Facebook do not have a high enough resolution to copy well into the newsletter.
- Departments and chapters can each have a page every month in the newsletter. There should only be one person submitting articles and photos. **PLEASE, PLEASE, PLEASE Include your chapter state/number**
- Approval needed by National President then send to webmaster to send out to membership

Yearbook email yearbook@bluestarmothers.us

- Send me your photos! 4-5 for chapter pages, your child's photo for our Military Children, moms who are veterans service and current photos and Gold Star Mothers children pages, name and branch. **INCLUDE chapter state/number**
- Collect your photos all year. It's easier to do that than look back at the end of the year
- I had the 81st and 82nd so not anniversary years
- Work with President, this is HER yearbook
- Ads (100% goes to Unsupported VA Hospitals)
- You get 2 free personal pages and additional pages at minimal cost
- Must stick to deadlines in order to have yearbooks to convention. If ordered before printing deadline free shipping **to convention** but someone will need to pick up if you aren't there. After printing, will be shipped to home.
