NATIONAL PRESIDENT KAREN STILLWELL

Hello Everyone,
Happy Blue Star Mother's Day, Happy Valentine's Day and Happy President's Day!

Every day, I'm reminded that our mission is bigger than any one of us; yet it is carried forward entirely because of each and every one of you. You show up with compassion, strength and a willingness to serve those who have already given so much for our country. That is no small thing, it is the heart of who we are.

Supporting our active-duty military, standing beside our veterans, caring for our Gold Star sisters and for one another, isn't just a list of goals. It's a promise. A promise that no one will ever stand alone. A promise that their families, their sacrifices, and their futures matter. And you are the ones who make that promise real.

I know the work isn't always easy, it takes time, energy, and emotional courage. I want you to know, your efforts are seen, they are valued, and they are making a difference. Whether you are organizing an event, gathering donations, delivering resources or simply showing up when someone needs support; you are changing lives in ways that can't always be measured but are always felt.

Our Blue Star Mothers community is strongest when we lift each other up. Each and every day we have an opportunity to deepen that strength. To help one more service member who feels forgotten. To help one more veteran find stability and hope. To remind one another why our mission matters. It is not about, any one of us, but it is about the mission.

NATIONAL PRESIDENT MESSAGE CONTINUED

I am asking you to stay engaged, stay focused, stay committed and stay connected; not because the work is easy, but because it is meaningful. Because together, we are building something that honors service, restores dignity and creates belonging.

Thank you for giving your time, your heart, and your dedication to our mission. I am proud to stand with you, and I am grateful every day for the difference we all make together.

In just over a week the NEB will be meeting for our midyear planning meeting. Together we will tackle some organization issues that need attention, and strategize ways to improve and move forward the goals of the organization. We will be reviewing the training sessions for the National Convention to help us all grow in the knowledge we need to best serve our mission. Speaking of the National Convention, there are so many exciting things coming your way. Be on the watch for a new convention chatter being released soon. Our Convention committee has been hard at work and have so many great things planned. To say I am excited it is understatement.

Respectfully Yours in Service,
Karen

FOR IMMEDIATE RELEASE

Blue Star Mothers of America, Inc.

Blue Star Mothers Day (February 1) – Honoring Moms With Children in Service

February 1 marks **Blue Star Mothers Day**, a day dedicated to honoring the mothers whose children are serving in the United States Armed Forces. This national observance recognizes not only their pride, but also the strength, sacrifice, and resilience that military families live every day.

Blue Star Mothers Day is rooted in the history of Blue Star Mothers of America, Inc., which was founded during World War II when mothers came together to support one another and their children in uniform. The blue star, long displayed in service flags in the windows of American homes, has become a lasting symbol of a loved one serving. Over time, it has also come to represent the courage, devotion, and quiet endurance of families who stand behind the uniform.

Today, Blue Star Mothers of America, Inc. continues that legacy nationwide, supporting active duty service members, veterans, and their families through community service, outreach, advocacy, and compassionate care. Blue Star Mothers Day serves as a moment to pause and recognize the extraordinary role these mothers play — standing strong during deployments, celebrating homecomings, and carrying the emotional weight that comes with loving someone in military service.

The significance of this day extends far beyond any single generation or conflict. Military mothers have always been a vital, though often unseen, part of our nation's defense. Their service is reflected in tearful goodbyes, anxious waits, constant prayers, and unwavering pride in their sons and daughters who serve.

"Behind every service member is a family who serves alongside them, and behind many of those families is a mother whose strength and love never waver," said Karen Stillwell, National President of Blue Star Mothers of America, Inc. "Blue Star Mothers Day is a time to honor those women whose hearts are always with their children in uniform, no matter where in the world they are serving."

On this Blue Star Mothers Day, Blue Star Mothers of America invites communities across the country to pause and reflect on the families who stand behind the uniform. It is a day to

recognize the strength found in kitchen-table conversations, the courage behind tearful goodbyes, and the pride that accompanies every oath taken and every safe return home.

As our nation continues to rely on the dedication of its service members, we are also reminded of the families who share in that sacrifice. Blue Star Mothers Day is a tribute to their love, their endurance, and their unshakable commitment in those who serve.

Happy Valentines to all our volunteers. Thank you for all you do for our veterans.

As you know our VAVS reports are due the first week of each month for what was donated and hours served.

Here are a few tips for your reporting.

1. Deputies, please let the chapter rep know your hours served.
2. If you have occasional volunteers serving, they must sign in as well so credit for their time is noted.
3. Reps, please ask the VAVS office for a Wish List that you can share at your chapter meetings. Remember, items can be sent to the VAVS office, with their permission, via Walmart.com, amazon.com or any service that you shop through.
4. Although the time spent traveling, preparing donations and shopping is appreciated it does NOT count on your hours. Also, any community events you go to also do NOT count. The only hours we report on is what is physically spent inside the facility. Please help by not putting additional information on your report that is not valid.
5. Reports are to be sent to vavs.deputy@bluestarmothers.us.
6. Your AJR's are to be sent to Carol Sanchez. Also, if you are a chapter without a Rep and you want to donate to a VA you can do that. Find out what they may need and how to do the donation. Once you do that, please send information to Carol Sanchez for her reporting.
7. If there are questions you can always reach out to our National Rep Anne Parker – vavs@bluestarmothers.us

A HUGE Thank You to all. Our veterans deserve our BEST and Blue Star Mothers are the BEST.

AutoZone Liberty Bowl – Gold Star Family Event

Ohio True Blue #15 member Debby Wadham, and her husband, Bill, attended the AutoZone Liberty Bowl in Memphis, TN on January 2, 2026, to participate in their Gold Star Family event. The event was hosted by the Woody Williams Foundation and included over 150 participating in a procession to the game. The most recent game, the 67th annual, was played featured teams from the Big 12 and SEC conferences (or American Athletic Conference as an alternate), with Navy beating Cincinnati.

Bill and Debby Wadham with Amy Dozier, from the Woody Williams Foundation.

True Blue #15 hosts guest speaker at meeting

Ohio's True Blue #15 hosted a guest speaker at our January meeting, Abby Schroeder, to talk about the book she has authored, "Small Town Men with Big Stories," that highlights her research on Kalida, Ohio residents that are Purple Heart recipients. Abby has also repaired broken headstones from Kalida's cemeteries. Kalida has been placed on the Purple Heart Trail which starts in Washington, DC and branches out across the U.S. To learn more about Abby's research and her ongoing projects, feel free to follow "The Forgotten Pioneers of Kalida" on Facebook.

While in Tennessee for the holidays and to attend the Gold Star Family Event at the AutoZone Liberty Bowl, Debby Wadham and her husband Bill stopped to snap a picture of the Blue Star Memorial sign. The sign is off 431, and Debby shared with our members that the first time on that road with her son, Daniel, he reached over and tightened her seat-belt and he took the steep hills and curves; stating it scared the crap out of her.

PA201

BLUE STAR MOTHERS OF THE LEHIGH VALLEY PA201

December and January brought meaningful moments of connection and reflection for the moms of Blue Star Mothers PA 201. While some of our members were blessed with the opportunity to spend precious holiday time in person with their military loved ones, others found creative ways to connect through virtual visits, messages, and shared traditions from afar. No matter the distance, the spirit of family and service remained strong throughout the season.

One of our moms, **Ellen B.**, proudly shared photos of her grandson in Florida as he participated in his very first **Wreaths Across America** ceremony as a Navy Sea Cadet. Following in the footsteps of his "hero" — his dad — he helped honor our fallen heroes with dignity and respect. Moments like these remind us that patriotism and service are values passed lovingly from one generation to the next.

As January ushered in a new year, it also brought renewed energy, ideas, and opportunities for the months ahead. Our chapter continues to look forward with purpose and optimism. In early February, many of our moms — and dads too — gathered for an afternoon of casual conversation, great food, and fellowship, united by the common bond of being military parents. These simple moments of togetherness strengthen our support network and remind us that no one walks this journey alone.

We are excited for what lies ahead and grateful for the continued commitment, compassion, and camaraderie that defines Blue Star Mothers PA 201.

Sharing the Love!

This month we worked to make sure our Veterans felt the Blue Star Mothers' love! With the help of a local student group and a women's church group, our "no-sew" blankets are ready for delivery to the VA Hospital in Ft. Worth. And thanks to Bass Pro Shops, we delivered beef jerky, along with candy, canned goods, and toiletries to our partners at Soldiers Angels. These donations will be distributed at their Valentine's Day food bank.

Our Chapter held a Holiday Party social sister-bonding event and meeting at the Spicery Tea House where we exchanged gifts, stories, laughter and sisterhood.

12/28-31: The Patriot All-America Invitational had a Veterans Village where the Gold and Blue Star moms had a tent set up for community members to decorate quilt patches to then be sewn into quilts for our beloved Veterans who are in hospice.

Sat, 2/7 was an event at the Buckeye Community Veterans Service Ctr in partnership with American Legion Unit 53 to honor "MASH" (Mobile Army Surgical Hospital) units that would triage injuries at war sites & those who served in the Korean War. Our chapter served homemade Filipino desserts. Our Chapter was presented with a box full of items for care packages.

Not too sure where all the days of January 2026 went, let alone where the entire year of 2025, but here we are already beginning to make plans to attend Nationals in July! NM6 is blessed to have a wonderful working/sharing partnership with our Blue Star Sisters from the Rio Grande Valley Chapter (NM2), but, then, isn't that what Blue Star Mothers is all about—supporting one another. In the last month, we joined together twice; first, to form a flag line after the memorial service for the Marine brother of an NM6 friend and, later, with a Gold Star mother, to deliver Valentines and goodies to veterans in the VA Hospital. Then, on Valentine's Day, three NM6 officers helped serve lunch at Valencia High School to the AJROTC cadets and local children (grades k-8) who participated in the AJROTC Training Camp! It was delightful to experience all that youthful energy!

This month we were busy bees.

We were pleased to have our Department President, Sharon Skaro joined us in preparing a meal in January at the Fisher House.

Chapter members signed Valentine Card for our local VA.

We handed out to our chapter members a certificate and "Thank you for Bee-ing awesome" pin for all the things that they have done over the past year for BSMA.

Due to circumstances in Minnesota some of our National Guard Units were activated, our chapter provided pop, snacks and games for some of the units at local Armories.

We held our annual grocery bagging fundraiser with the help of family and members.

We had moms participate in the National Salute to Veteran Patients plus helped in the CDCE office with pins and hats that were given to the patients at the Minneapolis VA.

Our January 2026 chapter meeting was a wonderful way to begin the new year together. We were proud to have 30 Chapter Members and 1 Associate Member in attendance; a strong turnout that reflects the heart and dedication of our Southeastern Wisconsin family. The meeting included discussion of both new and unfinished business from our previous meeting. Topics included highlights from recent events, planning for upcoming 2026 initiatives, fundraising efforts, new opportunities as well as a strategic plan to expand our chapter's footprint within the community.

As we move into February and the months to come, we remain focused on connection, service, and growth. With strong attendance, thoughtful planning, and renewed energy, 2026 is already shaping up to be a year of meaningful impact for Southeastern Wisconsin Chapter 2. Together, we continue to serve with pride. For Our Military. For Our Veterans. For Our Families.

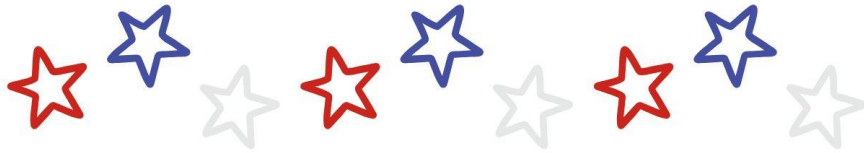

Our chapter was honored to donate over \$400 in kitchen items to the Union Grove Veterans Home, purchased through our Pampered Chef fundraiser and their Amazon Wish List.

Pictured below are photos from a recent production of Ripcord at a local theater, featuring a starring role by our beloved Sister Sarge. Many of us know Sister Sarge not only as a talented performer, but as a dedicated supporter of our chapter. She graciously joins us as a guest speaker at least once each year and was also a featured guest speaker at the 2025 National Convention held in Milwaukee, Wisconsin.
