To the Board of Directors of Blue Star Mothers of America, Inc.:

In accordance with your request and authorization, I have made an examination of the financial records of Blue Star Mothers of America, Inc. (a nonprofit organization) for the fiscal year 7/1/2005 - 6/30/2006. Because financial statements were not prepared and provided by management for the period indicated, this report reflects the financial records maintained and provided by management. The results of the examination are as follows:

1. Total cash receipts for the period indicated in the books and records as collected were deposited.
2. Total cash disbursements for the period indicated in the books and records were compared to original invoices in a quantity deemed necessary for the purposes of this examination and found to be in order.
3. Bank reconciliations were reviewed with the statements of the depositories, International Bank of Commerce, Andover Bank, and Citizens Security Bank for the period.

I found no material errors when examining the National and National Big Dipper accounts of Blue Star Mothers of America, Inc.

I am satisfied that the books and records as summarized in this report represent the financial transactions for the year ended June 30, 2006.
